

Welcome to Kiepersol Estates Restaurant

Our wine philosophy is to drink what you like and pair it with anything you enjoy. To help you find your style of wine or experiment with new varieties, these wines are listed progressively starting with the sweetest and most delicate, ranging to the most bold and heavy-bodied.

Our winery and production facility are just steps away from the restaurant. There we strive to produce comfortable wines, carefully crafted to showcase the variety of our sixty acres of estate-grown grapes. Tours are available Saturdays at 2:00 and 4:00 or by advance appointment.

Wine is an ever-changing entity, therefore so is our wine list. Vintages come and go, so make sure to enjoy them today!
